SALARIES AND ALLOWANCES OF MEMBERS OF THE MANEABA NI MAUNGATABU AND SALARIES TRIBUNAL (AMENDMENT) ACT 1996

EXPLANATORY MEMORANDUM

1. This Act seeks to incorporate in the Salaries and Allowances of Members of the Maneaba ni Maungatabu Act some of the changes to the salaries and allowances of the members which the Maneaba Members Salaries Tribunal had suggested together with other changes which the Government had also considered appropriate to be so incorporated as well.
2. It will be seen therefore that following the suggestions of the Maneaba Members Salaries Tribunal and the Cabinet the following changes are recommended –
 - (a) that the term “constituency visit” be defined properly to reflect what a constituency visit means in terms of what the Government understands to mean namely that it is an official visit of the Beretitenti or a Minister to his home island constituency, etc. (Section 2).
 - (b) that the word of the term “official business” be properly explained in terms of the members of the Maneaba’s activity throughout Kiribati as members and the meaning which is now given to the term reflects that attempt to do so. (See section 2).
 - (c) Section 4 seeks to increase the salaries and allowances of members of Parliament as recommended by the Salaries Tribunal but in doing so the Cabinet realises that the responsibility and demand placed on a Minister as a member of the Cabinet and as a Minister of Government is considerably much higher if not painful more than that of an ordinary member of Parliament. Consequently the reward of a Minister and that of a member in terms of the salaries and allowances have to be differentiated. Thus the Beretitenti and Ministers’ salaries and allowances are accordingly recommended to be higher than those of ordinary members of the Maneaba ni Maungatabu as set out in section 4.
 - (d) Section 5 seeks to allow the Beretitenti and a Minister and a member to have their spouse accompanying them twice a year when travelling within Kiribati for any official business or to South Tarawa.
 - (e) Section 6 seeks to increase the car allowance of a Minister to \$874 per year.
 - (f) Section 7 seeks to change the words “Class B” to that of “Class A” in section 6 as in reality it appears that all the members of Parliament are entitled to be classified as being in Class A rather than being in level 5 in Class B as members entitled to be classified as in Class B receiving practically the same amount of subsistence allowance as that of Class A.

On the other hand if the Beretitenti, a Minister or a member travels on official business within Kiribati and he is accommodated in a hotel or rest house he is entitled to be paid a subsistence allowance of \$40 per day and if accompanied by his spouse on such occasion the spouse shall be entitled to be paid a subsistence allowance of \$20 per day. (Section 7(3)(d)).

But if a member travels to South Tarawa to attend any meeting of the Maneaba or other official business then such member is entitled to be paid a subsistence allowance of \$20 per day and the spouse \$10 per day. (Section 7(v)).

- (g) If the Beretitenti, a Minister or a member travels on official business to Kiritimati Island and he is accommodated in a hotel or rest house then the Beretitenti, a Minister or a member shall be entitled to have his accommodation and meals paid for by the Government from public funds and the same applies to the spouse if accompanying him. But if they stay elsewhere apart from the hotel then the amount payable is \$20 for the member and \$10 for the spouse. (section 7(c) and (d)).
- (h) Section 7(e) allows members of select committees etc to claim \$45 for subsistence allowance instead of \$15 which is payable after a period of thirty days operation as now authorised by section 6(6).
- (i) Section 8 entitles a member and spouse if accompanying him to be paid subsistence allowance of \$20 and \$10 respectively when Parliament is dissolved.
- (j) Sections 9 and 10 allows the Kauoman ni Beretitenti and ministers to be accommodated in Government house rent-free.
- (k) Section 11 seeks to increase the clothing allowance of a member to \$600.
- (l) Section 12 seeks to increase the telephone allowance of a member from 100 to that of 600 calls per year.
- (m) Section (deceased member entitlement) obliges the Government to provide a free transport for the body of a member who dies during the course of a meeting of the Maneaba or other official business in which the deceased has been engaged.
