I wish to start by expressing gratitude to Government and especially the Ministry of Fisheries and Marine Resources Development for its continuing support through our Arorae Fishermen Cooperative Society to the promotion and development of fisheries on Arorae. One such development project undertaken by the Fishermen Cooperative is the production of vacuum-packed smoked fish which enjoys a good market in South Tarawa and Betio and through I-Kiribati in some overseas countries.

I wish to ask Government, could it further support Arorae Fishermen CS through training and development of the Fish Centre, among others, so that the cooperative is better able to meet marketing requirements, including proper labeling, especially for exporting its smoked fish overseas?

Reply by Hon. Tetabo Nakara (Minister of Fisheries and Marine Resources Development)

I kukurei n taekinna bwa e tauraoi au Botaki ni Mwakuri ni ibuobuoki iaon te anga reirei n aron are e mwaneweaki n te titiraki aio.

Au titiraki bwa e a toki ngkai kakarokoan te baeki n takataka man te tina ni boboti n takataka ke tera rongorongona?

Translation/Rairana

It is been awhile now since copra bags run out on the island of Teraina. Copra cutters are now buying their copra bags from stores and from SV KWAI from Honolulu which costs something to make an expense. My question is what happen to copra bags being issued out from copra Cooperative Society? Has this arrangement stopped?

Reply by Hon. Atarake Nataara (Minister of Commerce, Industry and Cooperatives)

Te Tia babaire, e bon aki toki kakarokoan baeki n takataka man te KCDL ma te kanganga boni ibukin onraken kaibuke mai Tarawa nako n te aono n mainiku.

Translation/Rairana

Speaker, the KCDL continues providing jute bags for copra but they could not transport them on fully loaded vessels traveled for the Line Islands.

E bia noora riain te bubuti aio te Tautaeka?

The Government through the responsible Minister is requested to consider appointing more Special Constables for Marakei and is asked to appoint 2 more for Rawannawi village and one for Norauea village since the population for these villages has increased as can be seen by the recent appointment of two councilors for Rawannawi and one for Noraues. Could the Government consider this request?

Reply by His Excellency Taneti Maamau (Te Beretitenti)

Te Tia Babaire, e bon tau moa ana Special Constable Marakei n kaineti ma te mwakuri ao te tararua.

Translation/Rairana

Honourable Speaker, the present number of Special Constables for Marakei is quite sufficient to meet the load of work and security.

E kona te Tautaeka ni katoka te waaki ni kakaokoroaki aei?

Translation/Rairana

People on the islets of Tabiteuea Meang expressed their displeasure for being excluded from a number of workshops conducted on the island because they live on the islets separate from the mainland or for not being included on the itinerary of visiting teams from Tarawa for the reason that there is no provision team's budget for sea transport.

Could the Government put an end to this practice?

Reply by His Excellency Taneti Maamau (Te Beretitenti)

E tauraoi Te Tautaeka n rinanoa te tangitang aio bwa e aonga n aki manga riki.

Kieia Ataei Hospital was built on Tabiteuea North for the Southern islands in the Gilberts Group, however until now it has not been fully used as expected. Its buildings are beginning to show signs of wear and tear because of long periods of non-occupancy where they become children's playground. If this continues without anything done to this place it will be in real trouble. Does Government have plans to change this around by using this Hospital as originally envisaged?

Reply by Hon. Tauanei Marea (Minister of Health and Medical Services)

Te kanganga are e karika aki rang kabonganaan Kieia Ataei bon aki taun mwaitia Taokita ake a na katoamauaa te mwakuri ni ibuobuoki ikekei. Bon iai te kantaninga ae e na kakerakeaki riki mwaitia taokita i Kieia Ataei n karaka ao n katamaroa riki te waaki n ibuobuoki.

Translation/Rairana

The root problem of under-utilizing Kieia Ataei or SKH is the limited number of doctors working there. There is a plan to increase the number of doctors to Southern Kiribati Hospital to provide more and better service deliveries.

By Hon. Bonteman Tabera, MM (Nonouti)
